Vision 2011 December 28, 2010 - January 1, 2011 Sunrise Springs Inn and Resort -- Santa Fe, New Mexico Are you looking for a new and very satisfying way to ring in the New Year?

Don't miss this opportunity to expand your life and connect with spirit.

Wouldn't you like to start 2011 with a clear vision and an open heart, instead of a hangover?

Join like-minded visionaries in the crisp, clean mountain air to set intentions for living life to the full in the New Year.

Vision 2011 is an all-inclusive, spiritually-oriented retreat that gracefully closes the current year and enthusiastically embraces the New Year with clarity and promise.

At Vision 2011, you take a close look at anything that didn't work for you in the past year and gently let that go as you choose what to embrace for the New Year. Will it be more wealth? A healthier lifestyle? Reconnecting with lost or damaged relationships? Finding a new romance or adding new zest to the one you have?

Throughout the retreat, you have opportunities to express yourself artistically, by writing, drawing, painting, dancing, singing, or all the above! You gain inspiration to establish clear, compelling intentions for the kind of new year you've always wanted.

In this tranquil, relaxing setting, you can begin your day by watching the sun rise, or you might choose to hike up a trail or gaze at the sunrise with your first cup of coffee.

In the spirit of sacredness, we form a community circle to meditate, formulate, and activate our lives and futures. After breakfast each day, we gather in the circle around the altar that we create together, to listen to music, visualize, engage in creative and illuminating activities, and share in lively conversations.

After lunch, you can enjoy the afternoon hiking, strolling the grounds, napping, sipping tea by the fire, reading, journaling, or working on a project.

Sunrise Springs Inn and Resort is our home for Vision 2011. There are spa services available onsite, so you can have a massage or facial before or after that nap!

We reconvene after dinner each evening. Late evenings often find folks talking for hours by the fire, basking in the hot tub, sharing snacks in the lounge, or counting the stars.

On New Year's Eve, we hike together in silence to a tranquil hilltop, to watch the last sunset of the year. Afterward, we enjoy a festive holiday dinner followed by a final evening session in the sacred circle. And when the clock strikes twelve, let the New Year of your dreams begin!

At Vision 2011 we plant mindfully that which will be our harvest in the New Year!
